

A Teacher's Parody

I'm so glad I get to teach.

I'm so glad I get to teach.

I'm so glad I get to teach.

Let me tell you why!!!

I get up ear-ly and stay up late.

Grad-ing pa-pers night-ly is OH so great!

"Wash your hands." "Tie your shoe."

"Close your mouth when you chew!"

I'm so glad I get to teach!

I'm so glad I get to teach.

I'm so glad I get to teach.

I'm so glad I get to teach.

Let me tell you why!!!

If there's one more mee-ting, I'm gon-na cry.

All this pa-per-work... think I might just die.

Sum-mer-time's com-ing soon,

then I'll sleep un-til noon.

I'm so glad I get to teach!!

I'm so glad I get to teach.

I'm so glad I get to teach.

I'm so glad I get to teach.

Let me tell you why!!!

I make mon-ey... so much of it

I spend it all... eve-ry lit-tle bit!

Cray-O-La not Rose-art!

El-mer's Glue has my heart!

I'm so glad I get to teach!!!

I'm so glad I get to teach.

I'm so glad I get to teach.

I'm so glad I get to teach.

Let me tell you why!!!

I teach child-ren... the good the bad.

I love them all... ev-en when I'm mad.

Cause the joy that they bring...

makes me stand up and siiiiiiiiiiinnngg...

I'm so glad I get to teach!!!
